

## **GEORGIA UNDERWRITING ASSOCIATION MISSION STATEMENT**

**The purpose of the Georgia Underwriting Association is to provide property insurance to the citizens of Georgia, and to encourage improvement and development of properties located in Georgia.**

**The insurance industry holds an important place in society.**

**Georgia Underwriting Association, as part of the insurance industry, provides peace of mind for thousands of individuals, families and businesses every day.**

**And during those unthinkable times when natural disaster hits, we provide the means of recovery for people and communities in need.**

**Beyond this essential mission of providing insurance for the citizens of Georgia, we work with our membership to fight arson, improve home safety, and to reduce the loss of lives and property from natural disasters.**

**We care about our customers and recognize our reason for existence is to provide a product/service of value.**
